1. Understand the principles and practices of ayurvedic medicine
2. Learn ayurvedic anatomy and physiology
3. Learn skills for ayurvedic clinical assessments

Accreditation: The University of Connecticut School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education (CME) for physicians. The University of Connecticut School of Medicine takes responsibility for the content, quality, and scientific integrity of this CME activity.

The University of Connecticut School of Medicine designates this educational activity for a maximum of 50 Category 1 credit(s) towards the AMA Physician's Recognition Award. Each physician should claim only those hours of credit that he/she actually spent in the educational activity.

Conflict of Interest Policy: All faculty participating in CME activities sponsored by the University of Connecticut School of Medicine are required to disclose to the program audience any actual or apparent conflict of interest related to the content of their presentations. Program planners have an obligation to resolve any actual conflicts of interest and share with the audience any safeguards put in place to prevent commercial bias from influencing the content.

Drs. Guha and Tayade do not have a financial interest/arrangement or affiliation with any organizations that could be perceived as a real or apparent conflict of interest in the context of the subject of his presentation.

This CME activity has no commercial support associated with it.

***Clinical Assessment Practicum: two-weeks of hands-on training at the Poona Ayurvedic Medical School in India, in collaboration with the International Society for Ayurveda and Health (ISAH) 120hrs. See the course flyer for details.**
